Security Incident Notice – Masjid Nasrullah

Masjid Nasrullah would like to inform the community of a security incident that occurred last night at approximately 6:00 PM in the masjid parking lot.

A vehicle was illegally parked on the premises. Several brothers respectfully approached the individual and asked that the vehicle be parked properly. The individual overreacted, became aggressive, and struck another vehicle parked in the lot. The assailant then began driving erratically through the parking lot, attempting to pursue members of the community who were trying to stop the situation and prevent further harm.

During the dispute, damage occurred to the assailant's vehicle window. Law enforcement was immediately contacted, and officers responded to the scene to address the incident.

Masjid Nasrullah takes the safety and security of its congregants very seriously. We are informing the community to ensure transparency and to remind everyone to remain alert and vigilant. If you witness any suspicious, aggressive, or unsafe behavior, please report it immediately to masjid leadership or law enforcement.

We will be speaking with our account representative from the Gwinnett County Police Department to help increase patrols in the area and further ensure the safety of our congregants.

We kindly ask all community members to remain calm, avoid confrontation, and prioritize safety at all times. May Allah protect our community and grant us peace, security, and unity.
